

MY REMOTE : LEGAL & FINANCIAL INFORMATION (FiLIP) :

New option to indicate a new bank account

If you wish to have your pension and medical reimbursements paid into a new bank account, there is now a possibility to encode this via a new application.

- Connect to MyRemote : <https://myremote.ec.europa.eu> with your EU Login access
- On the My Remote menu, click on the last option « **Legal and Financial information** »

A new authentication is generally requested !

- Click on « My Identity »

- A new screen with all your administrative and financial data now appears.

Bank Account - Start

Bank account creation tutorial

➔ Your request will be submitted to the PMO and you will receive an email notification upon change of the status.

BA creation tutorial

1. Once you click on the “Request Bank account” button, a wizard will guide you through the 5 steps of the process. At the first step “Start”, you need to read the administrative and legal remarks and to confirm that you have done so.

The screenshot shows the 'Bank Account Creation' wizard interface. At the top, there's a header with a bank icon and the title 'Bank Account Creation', and a 'Close' button. Below the header is a progress bar with five steps: 1. Start (active, with a red location pin), 2. Account holder's data, 3. Bank account info, 4. Upload bank statement, and 5. Finish. Below the progress bar, the title 'Bank Account - Start' is followed by two tabs: 'Bank account creation tutorial' (selected) and 'Important administrative and legal elements'. A checkbox is present with the text: 'I carefully read the administrative and legal remarks accessible from the "Important administrative and legal elements" button. That action is mandatory to be able to submit your Bank account creation request.' A 'Let's start' button is on the right.

2. Click on "Let's start" to proceed with creating the new bank account. You will reach step 2: “the account holder’s data”.

The screenshot shows the 'Bank Account Creation' wizard at the 'Account holder's data' step. The progress bar now shows step 1 as completed (green checkmark) and step 2 as active (red location pin). Below the progress bar, the title 'Bank Account - Account holder's data' is followed by an information icon and a note: 'If your request refers to your main account, please provide your current status in the "Bank account type" section. In the Account holder's data section, please provide, in the case of a joint account, both holders' names.' Below this is a blue box with an information icon and text: 'These fields are editable', 'The fields with a * are mandatory', and 'The grey bubbles containing numbers at the end of the fields indicate the number of characters available'. The 'BANK ACCOUNT TYPE' section has three radio button options: 'Main account' (selected), 'Active', 'Pensioner', and 'Unemployed'.

Please note that your main account must correspond to one of the options below:

Active: if you are currently working for the European Institutions

Pensioner: if you are a pensioner

Unemployed: if you are unemployed

The account must be in your name. If it is a joint account, you must provide both account holders' names in the “account holder” field.

The Account holder name, Communication Language, Personal email address and your private address are automatically filled in with your personal data already available in the EC systems (if any). You can update these data if necessary.

BANK ACCOUNT TYPE

Save & Next

Please note that the system will check the following elements:

- The IBAN format based on the IBAN rules in your country.
- If the IBAN you selected is already registered in our systems, a contextual option will appear. This will allow you to explain why you need to reuse it by selecting the option corresponding to your needs:

- o Reuse of a bank account.
- o A joint account.
- o A bank holder change:

i **This bank account already exists in our systems.**

Please select a context in the list below in order to progress in your creation/update request of banking data.

Bank holder change	

5. Upload the required documents (PDF format, no more than 2 documents) by clicking on the Upload button.

Bank Account - Upload bank statement

i "Please note that a recent bank statement contains at least :

1. The name of the bank
2. The name of the account holder.
3. The complete account number or IBAN.
4. The BSB (AU/NZ), ABA (US) or Transit code (CA), if used.
5. The provided document copy must be recent (less than six months).
6. The amounts and movements mentioned on the bank statement may, for privacy reasons, be hidden.

⚠ WARNING:
We draw your attention to the fact that only modifications of bank accounts received (documents must be in PDF format) before the 22th day of the month for active staff and 9th of the month for pensioner will be taken into consideration for payroll of the following month. Requests received after that deadline will be processed for month salary +2 .
For unemployment, your request for account changes will be processed at any time.

i These fields are editable
The fields with a * are mandatory
The grey bubbles containing numbers at the end of the fields indicate the number of characters available
