

# Snapshot of JSIS online

Via the [JSIS online application](#), you can request reimbursement of your medical expenses, but that's not all. Here is a summary of what you can do there.

**8 Reimbursement** Introduce your requests for reimbursement of medical expenses on a regular basis. Do not wait till you have accumulated several expenses to do so. Don't forget to attach [the required supporting documents](#).

**9 Medical authorisation** As [prior authorisation](#) is necessary for certain treatments and interventions ( dental treatment, speech therapy, psychotherapy, etc.), you can request it here.

**10 Serious illness** You wish to apply for recognition of serious illness, submit your file

**11 Direct billing** If you are admitted to hospital, [direct billing](#) means you will not have to pay out large amounts, as the JSIS will pay the whole amount of the invoice directly to the hospital. After the reimbursement rates have been calculated, your account sheet will show the reimbursement to which you are entitled, plus the amount you yourself have to pay.

**12 Health screening programmes** Depending on your age, your gender, you are invited to pass a [health screening program](#). To be reimbursed by the JSIS ask the invitation by clicking on this pictogram.

**13 My certificates** Need a [proof of your membership](#) for you, your spouse or your children in any of the 23 languages of your choice? [Click here to ask for it](#).

**21 My account sheets** What amounts have been reimbursed to you, and for which expenses? Bear in mind that a reimbursement request, and thus the relevant breakdown of expenditure, may be split.
