

HOW TO OBTAIN A CERTIFICATE IN "JSIS ONLINE" ?

→ From « **Create a request** » in the main Menu, click on **Certificates**

The screenshot shows the main menu of the JSIS Online system. At the top, there is a navigation bar with options: MY DATA, MY FILES, MY REQUESTS, CREATE A REQUEST, SEARCH, and MY PREFERENCES. Below this, the page title is "Joint Sickness Insurance Scheme". A red arrow points to the "Create a request" button. Underneath, there is a row of six icons representing different services: Reimbursements, prior authorisation, Recognition of serious illness, Direct Billing, Health screening request, and Certificates. A red arrow points to the "Certificates" icon. To the right, there are two sidebars: "Information" with bullet points about appointments and reimbursement, and "Useful links" with links to guides and documents. Below the main menu, there are sections for "My requests" and "My files", each containing icons for various services.

→ select the **beneficiary** and the **type of certificate** needed:

The screenshot shows the "Certificate request" form. At the top right, there is a "CLOSE" button. The form is divided into three main sections. The first section, "Selection of a beneficiary", has a "Sickness Coverage:" label with three radio buttons: "Primary", "Complementary rights", and "No rights". Below this, there are two radio buttons for beneficiary selection: "Affiliate - MAI" (selected) and "Spouse - ROL". A red arrow points to the "Affiliate - MAI" option. The second section, "Available certificates", has a "My available certificates" button on the right. It contains a table with two rows of certificates. A red arrow points to the first row, "JSIS primary coverage certificate". The third section, "For the following certificates, please send a request to the PMO", has a "Contact PMO" button on the right. It contains a table with two rows of certificates. The first row is "JSIS primary coverage certificate - Start/End date". The second row is "Certificate for JSIS cover top up".

→ click on the **language** wished + **Submit**
