

Welcome to the new AIACE website!

Our old site had reached its end of life. It was not designed to accommodate all the information that had been added over time and it had become extremely difficult to manage and update, or even to add new pages. As it was no longer possible to make it evolve, it was decided to create a new one, more airy, clearer and more readable. We invite you to discover it. Despite all the precautions and tests, it is still possible that there are a few teething problems; we ask for your understanding and patience. Any constructive criticism is welcome to help us improve it (click on "Contact us").
