

BELGIUM (BRUSSELS/WALLONIA/FLANDERS)

We draw your attention to the increase in the amounts of child benefit for BELGIUM. The amounts changed in December 2022 and were paid in January 2023. We kindly remind you that you are required to declare any changes in the family allowances received from other sources. Please insert a new declaration in SYSPER, with an official document from the National fund, as the supporting document, clearly showing the dates of the changes and the amount paid per month per child.

GERMANY

Following the increase in the amount of child benefit in GERMANY in January 2023, your file will be automatically updated in SYSPER for the February payslip. Please consult the details in SYSPER (Menu > My File > Rights & Privileges > My Individual Rights (Annex VII)). If you notice that the updated amounts do not correspond to the amount received, please introduce a new declaration in SYSPER.

LITHUANIA

We draw your attention to the increase in the amounts of child benefit for LITHUANIA. The amounts changed in January 2023 and will be paid in February 2023. We kindly remind you that you are required to declare any changes in the family allowances received from other sources. Please insert a new declaration in SYSPER, with an official document from the National fund, as the supporting document, clearly showing the dates of the changes and the amount paid per month per child.

ESTONIA

We draw your attention to the increase in the amounts of child benefit for Estonia. The amounts changed in January 2023 and will be paid in February 2023. We kindly remind you that you are required to declare any changes in the family allowances received from other sources. the supporting document, clearly showing the dates of the changes and the amount paid per month per child.

We draw your attention to the possible increases of the amount of the family allowances for children received from elsewhere (PPA).

The PMO teams have noticed that a considerable number of staff have not updated their allowances from elsewhere in the last four years and they were recently notified to update their file. If this is the case for you, please insert a new declaration in SYSPER, with an official document from the National fund - as a supporting document, clearly showing the dates of the changes and the amount paid per month per child.
