ALCHEMILLA COMPLEX		Produits pharmaceutiques	homeopathie
ALFA COLLIRIO	nitrate de nafazoline	Produits pharmaceutiques	
ALLEGRA COENZYME Q10		Produits non remboursables	dietetique

→ The next screen shows the Result found : the important element is to be found in the « Refundable » column :

- Produits pharmaceutiques/Pharmaceutical products = refundable (if prescribed of course)
- Produits pharmaceutiques avec AP/Pharm. Products with PA = a prior autorisation is requested
- Produits non remboursables/Non-refundable product

→Click on Search and then on « Pharmaceutical products list»

The reason in the last column may be interesting to read.
