MENU « MY REMOTE »
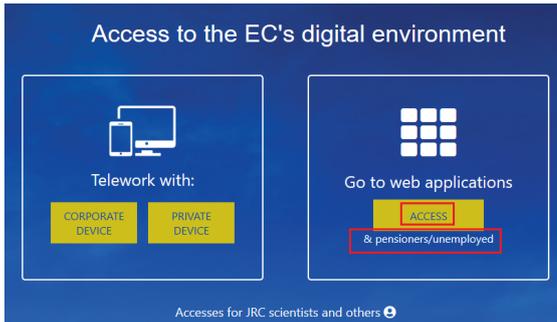

You have an EU Login access and you regularly connect to "My Remote"?
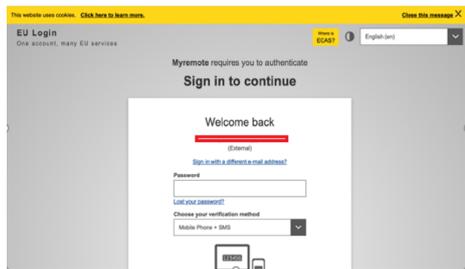

If you launch this link (=url) **https://myremote.ec.europa.eu/** the following screen displays:

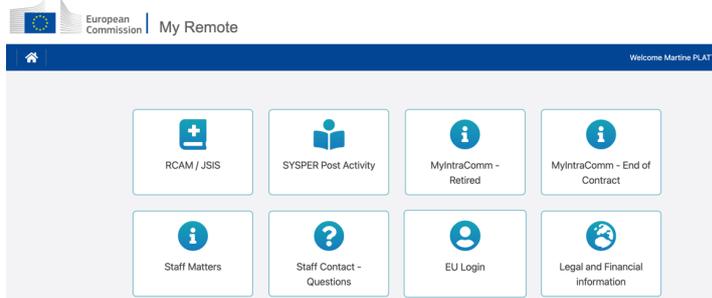

On the righthand part of the screen **« Go to web applications » ➔ click** on **« ACCESS »**

a supprimé: ¶

As usual, you will be prompted to connect via your EU Login access :

And then a « Menu » will be displayed :

In this menu, you will find the following options :

IT HELP DESK - AIACE International   1   14.11.2023

- **RCAM en ligne/JSIS online** Be careful: a second authentication via EU Login is always required to reach « JSIS online ». This application allows you to search and encode medical costs, create prior authorizations, ask for direct billing or health screening *…*
(https://webgate.ec.europa.eu/RCAM)
- **SYSPER Post Activity** allows you to consult or print pension slips, generate fiscal certificates, add/modify/complete personal data, send a life declaration, etc.
