HospSafe - Hospitalisation

Dear Colleagues,

You will probably remember that at the beginning of this year, Cigna facilitated the transfer to "AIACE Hospitalisation" for those of our members who had taken the "HospSafe" insurance and did not wish to remain with this policy. This special action ended on March 30.

Following multiple requests addressed to both Cigna and AIACE, we have just obtained Cigna's agreement that this transfer facility be offered again to our members who had already been insured with Cigna in the past (by HospSafe in particular) and this without further formalities.

This possibility is also offered to members who have recently subscribed to HospSafe (after the transfer of this policy from Cigna to Allianz) but in the latter case, the completion of a medical questionnaire will be required.

The transfer request can be made by email to info@eurprivileges.com.
